Hi Reed, wanted to follow up on a couple items. I've worked through the documents in the Dropbox drive [here](#)

- Florida Peace DAO Inc: do we have a UBI or business number for this entity? I see the document number but wasn't sure how the state of Florida tracks their businesses.
- Peace DAO Revocable Trust: do you have a copy of this paper? I didn't find it but could have easily missed it. Considering its listed at one of the officers/members of Florida Peace DAO Inc I wanted to put it on file.

In other news, Mark wanted me to put you down as the registered agent for DAOLABS IP, INC & DAOLABS, LLC. Since I've already filed for DAOLABS, LLC I've added a Statement-of-change document that I'll need your signature on before I make that change.

Let me know if you have any questions. Thanks!

BenR

Hi.

Attached is a draft of the Peace DAO Trust. It was designed so that you would be the Grantor to make it easier to get everything organized and set up. You would also be the Trustee of the trust initially.

Florida corporations use the "document number" for tracking and for filing purposes. The Peace DAO, Inc. no. is N2200008251.

I have no problem being the designated agent for the entities. Let me know if you have any questions.

Regards,
